Camp Rules

Your program director will provide more complete information when you arrive.

1. Hazing or bullying whether through physical or verbal methods is not tolerated and may be grounds for immediate dismissal.
2. Possession/use of any drugs except prescription medicine is prohibited.
3. **ALL** medication must be given to the nurse at begging of camp.
4. Possession or use of alcoholic beverages/tobacco is prohibited.

5. Possession of fireworks, firearms or weapons is prohibited.
6. Campers are not to have Cell phones or iPods in their possession. They will be confiscated and returned to the camper at the closing of the camp session.
7. No campers or faculty are to go inside cabins of the opposite sex. Immediate dismissal may occur.
8. No nut products of any kind are allowed on the grounds.
9. We strongly discourage any food items in the cabins. Food increases the risk of animal infestation.

No Return Policy & Early Dismissal

Camp Allendale has a "no return to camp" policy. It is necessary for several reasons including: security issues, disrupts the camp program, the family group, and the camper, as well as it sends the wrong message. If you need to pick up your child early, and not return, fill out an Early Dismissal Form at the Registration Table.

General Info

- ✓ We do not allow pets on the campgrounds.

Health & Safety

Volunteer nurses and emergency professionals are on-site to address health and safety concerns. We will attempt to notify you if your camper becomes ill or sustains an injury. It is very important that your camper's health information is up-to-date and signed by the parent or legal guardian.

Health Form is a LEGAL DOCUMENT

It gives the camp permission to treat your camper and make hospital decisions in your absence. If someone other than the parent has completed your camper's registration, please mail a signed form to camp stating it is for signature only.

Camp Dress Code

Swimsuits are for the pool and beach area or other designated water activities. If suits are worn at other activities or areas, they should be covered. Please encourage kids not to have wet suits on all day. Shoes must be worn at all times for safety.
