

Allendale Staff/Volunteer/Camper Code of Conduct

We will **ALWAYS** be above reproach when interacting with minors within our organization.

Our actions and intentions must always be pure and honoring to Christ. The subject of physical contact is so fragile with kids and should be taken with the utmost concern and seriousness by every staff and faculty member. The following are guidelines for appropriate/inappropriate conduct with minors towards minors and adults toward minors or other adults:

Not Appropriate

- g. Harassment, *bullying, ridicule, excessive teasing

***Bullying** is when someone *repeatedly* and *on purpose* says or does mean or hurtful things to another person. Inappropriate behavior that leads to dismissal may or may not constitute bullying.

Reporting of Inappropriate Behavior:

Faculty Observed: Take immediate action to correct the behavior if it involves a camper.

Notify Program Director if behavior is not corrected.

If it involves a staff member or faculty member notify the Program Director or Executive Director immediately.

Camper Observed: Report immediately to an adult if inappropriate behavior is by a camper.

If inappropriate behavior is by an adult, tell another adult other than those in your cabin.

Use a "**Safe box**" to report behavior, especially if behavior continues after sharing it with an adult who has knowledge of the situation.

Safe Boxes are located at the Hillside Dining Hall and the Cedar Lodge. Safe boxes will be checked daily by designated individuals who have limited contact with children. Comments needing further investigation will be reported to the Executive Director.

Consequences: Any infraction of the above policy will be immediate grounds for dismissal whether you are a paid staff member, volunteer faculty member or a camper. A violation of one of these policies could not only be misunderstood by campers/staff, but result in legal consequences.
